The Hands On! Discovery Center is a non-profit, all-ages science center that aims to inspire discovery and understanding of science and the arts in a place where learning and fun go hand in hand [3]. The mission of the museum is to become the premier regional destination for interactive discovery [3]. The museum welcomes folks of all ages, abilities, ethnicities, genders, and income levels to discover where learning and fun go hand-in-hand [3].

I hope this helps. Is there anything else I can help you with?
